**Facts & Figures**

Experiential education is UTSC’s hallmark. Students get a head start on their futures through U of T’s only co-op program as well as internships, hands-on research, community engagement and a vibrant campus life. Located next to popular natural landmarks in Toronto’s greenest area, the UTSC campus is experiencing dynamic growth. The new Aquatics Centre and Field House represents Canada’s largest investment in amateur sport infrastructure, and will open for the Pan Am/Para Pan American Games in 2015.
