Wireless Setup Instructions

If your UTORid was activated before September 2011, you will need to ‘verify’ the account by visiting the following page, https://www.utorid.utoronto.ca/cgi-bin/utorid/verify.pl and fill in your UTORid and password. You can proceed with the setup when you receive the message “Your UTORid and password have been checked and should work”.

1. Left-click the wireless icon in the tray area, and click Connect to a network.

2. Highlight UofT and click Connect.

3. Click Enter/select additional log on information.

4. Type your UTORid and password in the appropriate fields. Click OK.

5. On the Validate Server Certificate window, click OK.

6. Click Close.
