Using Webfolder From Home To Access Shared Folders

1) In your web browser (Firefox, Chrome, Internet Explorer, Safari), type:
   
   https://webfolder.utsc.utoronto.ca

2) At the login box, type in your UTSC ID and password. Once you login, by default, you will see the Home folder. Click the Shared folder drop down box circled in the screenshot below to see a list of all your other shared folders.
3) From the drop-down menu, you can now select any of the shared folders you have access to.

For example:
