### Accommodations

Please forward my contact information, documentation and accommodations to the Office for Students with Disabilities (OSD) on the campus I have transferred to.

I understand that I must contact the appropriate office on that campus to meet with a counsellor to confirm registration and to discuss my accommodations. I also understand that my current counsellor may need to supply additional information relating to the provision of my accommodations to the OSD on my new campus.

Note: The method in which an accommodation is delivered may be modified on the campus you have transferred to. This will be discussed with the appropriate counsellor at the OSD.
