This program is available to students in their first year of Arts & Science Co-op at the University of Toronto Scarborough. This program fulfills one requirement of the Navigating the World of Work (NWoW).

Students are paired with a senior co-op student and job shadows them at their current work term for 1/2 a day, 1 day or up to a maximum of 5 days. (The duration is determined by the host organization). It gives students exposure to industries and careers they are interested in pursuing, and also let's them gain insight into co-op opportunities available.

Job Shadowing Options: Trying on Hats may take place during the middle of the semester

Please indicate which session you would prefer to be considered for participation:

Fall (mid-late Oct.) Winter (Feb. Reading week) Fall (late July-early Aug.)

**Student applications received after the deadline (available on CSM announcements) will be included in the matching process for the next program session. Students not matched for Trying on Hats will automatically be included in the next matching process for the next program session.
