- **S** Management & Human Resources
- **S** Management & IT
- **S** Management & International Business (Co-op only)
- **S** Management & Marketing
- **S** Strategic Management (Entrepreneurship, Management Strategy streams)

Life Sciences

- **M I** Biology
- **S** Conservation & Biodiversity
- **S M** Human Biology
- **S** Integrative Biology
- **S** Molecular Biology & Biotechnology
- **M** Molecular Biology, Immunology & Disease
- **S M** Neuroscience
- **M** Plant Biology

Paramedicine

- **S** Paramedicine (Joint Centennial)

Physical & Environmental Sciences

- **I** Applied Climatology
- **I** Astronomy & Astrophysics
- **M** Biochemistry
- **S** Medicinal & Biological Chemistry
- **S M** Chemistry
- **S M** Environmental Chemistry
- **S** Environmental Geoscience
- **S** Environmental Physics
- **M I** Environmental Science
- **S** Global Environmental Change
- **I** Natural Sciences & Environmental Management
- **S** Physical & Mathematical Sciences
- **M** Physical Sciences
- **S M** Physics & Astrophysics

Psychological & Health Sciences

- **M** Health Studies - Population Health
- **S M** Mental Health Studies
- **S M I** Psychology

French

- **S M I** French

Journalism

- **S M I** Journalism (Joint Centennial)

Social Sciences & Humanities

- **I** African Studies
- **I** Anthropology
- **S M** Anthropology: Evolutionary
- **S M** Anthropology: Socio-Cultural
- **I** Biomedical Ethics
- **S M I** City Studies
- **I** Classical Studies
- **M I** Creative Writing
- **I** Critical Migration Studies
- **I** Culture, Creativity & Cities
- **S M** English
- **I** English Literature
- **I** English to Chinese Translation
- **M** Environmental Studies
- **I** Food Studies
