

TORONTO Community Consultation Meeting

The City of Toronto holds public consultations as one way to engage residents in the life of their city. We invite you to get involved.

University of Toronto Scarborough Campus (UTSC) Secondary Plan

You are invited to participate in a **Public Open House and Community Consultation meeting** where you can learn more about the University of Toronto's application for a new Secondary Plan for the campus. This meeting will give you an opportunity to ask questions and share your comments. Details are as follows:

Date: Thursday January 25, 2018

Time: 6:30 p.m. to 9:00 p.m.

Place: University of Toronto Scarborough Campus, 1265 Military Trail
Humanities Wing, Room HW 216

The University of Toronto Scarborough has filed an Official Plan Amendment application to establish a new Secondary Plan for the future growth of the campus. With a student population of just over 12,000, UTSC is a mid-sized university in the heart of Scarborough. Its location in the eastern GTA affords it a critical and strategic opportunity for growth to meet increasing academic demand in the area. The UTSC Secondary Plan is being developed upon the foundation of the University's Master Plan, which serves as a blueprint for a vibrant campus that will thrive for many years to come. The intent of the Secondary Plan is to further develop a vision and planning framework to guide future development of the UTSC campus. It will bridge the gap between key objectives of the Master Plan and official municipal policy in order to strengthen the long-term vision and academic mission of the university.

A future Zoning By-law and Urban Design Guidelines will help to implement the Secondary Plan and will be consulted on in the future.

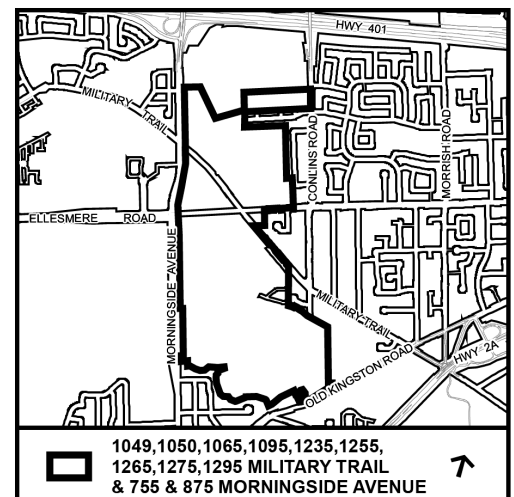

You can view a copy of the Preliminary Report providing background information at:

Open House and Meeting Room Details

This meeting will focus only on the policy framework for the future growth of the University Campus and will include:

- Open House starting at 6:30 p.m.
- Presentations at 7:00 p.m.
- Questions after the presentations *and* at the Open House display boards.

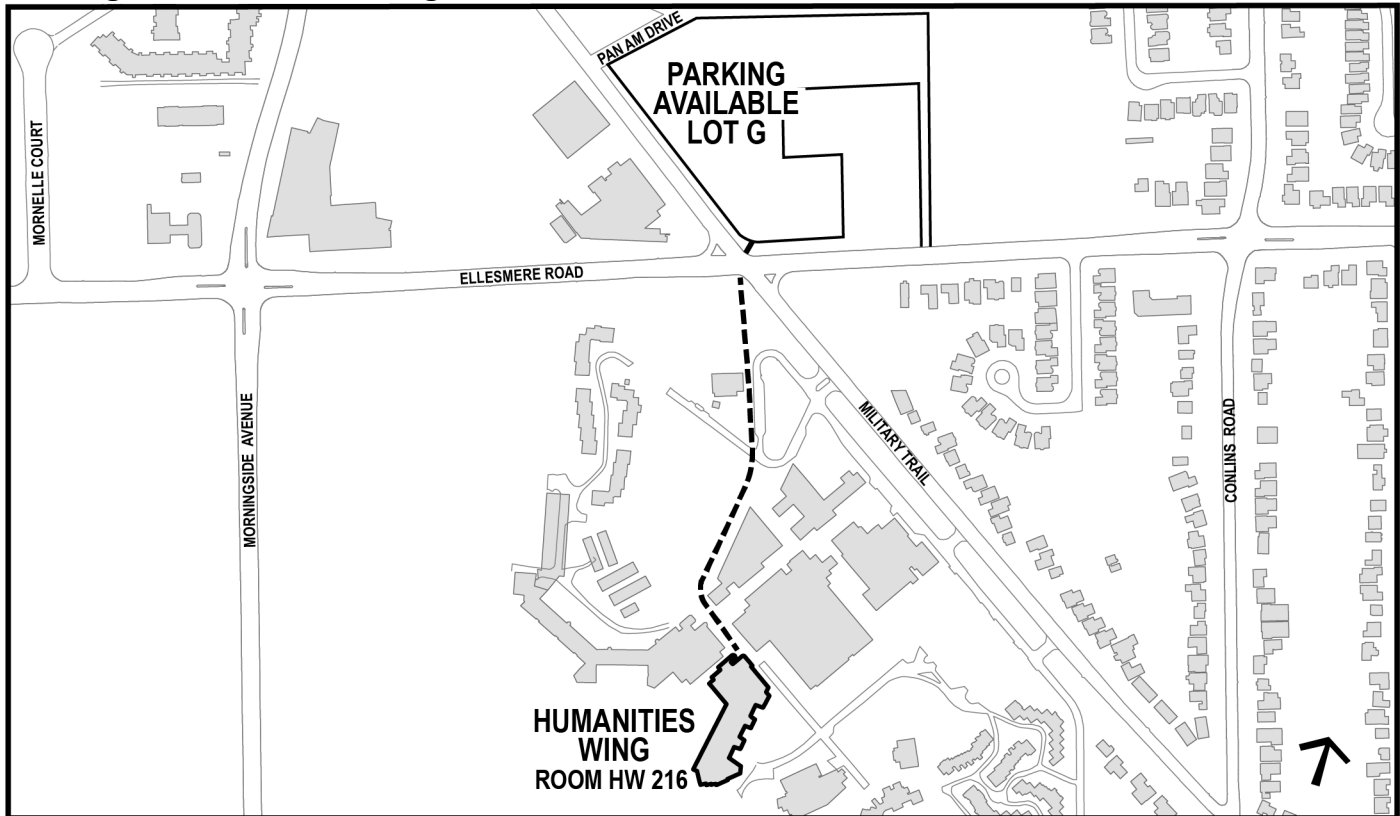

Separate consultation meetings will be held for specific development applications in the study area.
