

# LOCKER RENTAL POLICIES

## General Guidelines:

- A. Lockers are assigned on a first-come, first-served basis at the start of each term in this order of priority: a) full time ACM Studio Majors; b) Studio minors, and c) non-Studio ACM students.
- B. Students are solely responsible for their assigned lockers and its contents. The Department assumes no liability for theft, loss or damage of items stored in lockers. Therefore, students shall not store valuable items in the lockers. Students will be held responsible for damage to lockers beyond expected wear.
- C. Each student may rent only one locker. Sharing of lockers with non-ACM students is strictly prohibited. Failure to comply will result to automatic cancellation of locker privileges.
- D. Students are responsible for keeping their lockers clean and orderly. Students cannot leave perishable items over a long period of time or store illegal substances, weapons or other prohibited or offensive materials in the lockers.
- E. If you have taken possession of a locker without first registering and renting it through the Departmental Assistant, your lock will be cut and your items will be removed without notice.
- F. Students who are no longer enrolled in a program with ACM are no longer entitled to rent a locker.
- G. Students who intend to keep their lockers for the following terms will be required to renew their Locker Rental Form before the last day of exams. The Departmental Assistant will send an email reminder to clean-up and renew locker rentals.
- H. Lockers are the property of ACM and the Department reserves the right to alter the policies governing their use with appropriate notice to all concerned.
- I. Any violation of these policies will result in cancellation of locker privileges without refund.
