SPONSORSHIP OPPORTUNITIES

July 23, 2024 | Deer Creek

UTSC's Golf Day

University of Toronto Scarborough is thrilled to be celebrating our 11th Annual Golf Day, presented by EllisDon.

Hosted at Deer Creek, “The Jewel” of Durham Region, it promises to be a great day of golf and fun all while supporting a worthy cause. This year, all proceeds support our greatest priority, Scarborough Academy of Medicine and Integrated Health (SAMIH), a hub for training and strengthening connections among healthcare providers in Scarborough and Eastern GTA.

Golf Day includes:

- Learn-to-golf options
- Yoga session option
- Lunch
- A post-golf reception
- Contests, prizes, and an auction

Your Support

The Scarborough Academy of Medicine and Integrated Health (SAMIH) is a very exciting and timely initiative. The project will provide a much-needed training facility for physicians and healthcare professionals and allow residents to be part of the bigger, future building initiative in health care. It will address the under-met health needs of the eastern Greater Toronto Area (GTA), including Scarborough and Durham Region.

SAMIH will train physicians and other health professionals, including physician assistants, nurse practitioners, and physical therapists. This will significantly strengthen the revitalization of the healthcare system in the eastern GTA, in partnership with local hospitals and other service providers. These efforts will be geared towards improving health outcomes by addressing the critical shortages of highly trained practicing health professionals in the community.

SAMIH's initiatives will provide an economic stimulus and professional employment, contributing to the overall growth and development of the region.
