### **Distribution of Marks:**

Midterm Examination	30%
Laboratory Quizzes	10%

Laboratory and lecture examinations may include ALL the lecture, laboratory, required reading and cited text figure material for the particular topics covered on the examination. In other words, lecture material may appear in a laboratory examination and vice versa.

Lecture Examinations: the exact format of a particular lecture exam will be announced ahead in class. Lecture exams may include short answer such as multiple choice, fill in the blanks, definitions, matching type questions, labeling diagrams, etc. There may also be short and/or long essay questions. The Final exam may be cumulative, although with slightly less emphasis placed on material from the first half of the course. The final exam will be held during the final exam period.

Final Laboratory examination: This exam will focus on material we have covered in the labs including histology, fetal pig anatomy, surface anatomy and the skeleton. It will include slide show with questions in addition to a written portion.

**\*\* Missed Lab Quizzes** – students who miss a lab quiz for reasons entirely beyond their control may, within **48 hrs** of the missed quiz, contact your TA and bring a written request for special consideration explaining the reason for missing the quiz and attaching appropriate documentation (UTSC medical note (the only acceptable medical note) which must be completed by a doctor). Your TA will discuss the date and format of the makeup quiz with you.

You **CAN NOT** switch lab sections!! You must go through ROSI or you will not receive any lab marks.

**Missed Exams** – students who miss an exam due to medical illness, must submit to Dr. Soros a detailed UTSC Medical Certificate filled out by the physician you saw on the day of the test itself. You **MUST** contact Dr. Soros within 48 hours of missing the exam. The date and format of the makeup test will be communicated via email. We will not accept any other medical certificate/note, and if the note is not filled out to our satisfaction, we do reserve the right to refuse it.

The UTSC Medical Certificate can be found here for your convenience:
