Qualifications:
Successful applicant has a solid knowledge of topics in statistics courses in undergraduate programs at the University of Toronto and excellent communication skills. Proficiency in statistical software such as R would be an asset. Applicants with teaching experience or TA experience in the field of Statistics are preferred.

Duties:
The primary duties include holding office hours in the Math & Stats Learning Centre to help students to understand the statistics subjects in an interactive learning environment, hosting the online stats tutor sessions, interacting with students regarding their statistics topics in the one-to-one sessions, and delivering the workshops and review seminars offered by the Math and Statistics Learning Centre.

Application Requirements: Please attach, a curriculum vitae, transcript, contact information and names of two references and indicate current status (UG, M.Sc., M.D. or others) and year of study (e.g. first year of M.Sc.). Please attach these requirements as one PDF document.

This position is for the Fall and Winter Term. Candidates must be able to work on the U of T, Scarborough campus.

Notes:
The following rates of pay apply for Undergraduate (UG)/SGS USGS II:

Effective January 1, 2019: $45.33 per hour

Effective January 1, 2020: $46.24 per hour

Please note that should rates stipulated in the collective agreement vary from rates stated in this posting, the rates in the collective agreement shall prevail.

Department Standards and Policies are available in the Department office and in the CUPE, Local 3902 Unit 1 office. This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. It is understood that some announcements of vacancies are tentative, pending final course determinations, enrolments and available resources. Late applications will not be accepted.

The Centre for Teaching and Learning reserves the right to make partial appointments.
