Job Title: Sessional Lecturer- CTLB03H3 Intro to Community Engaged Learning

Course overview: In this experiential learning course, students apply their discipline-specific academic knowledge as they learn from and engage with communities. Students provide, and gain, unique perspectives and insights as they interact with community partners. Through class discussions, workshops and assignments, students also develop transferable life skills such as interpersonal communication, professionalism and self-reflection that support their learning experiences and help them connect theory and practice.
