Laboratory Emergency Response Procedures

For Emergency – Dial 7333

Fume Hood Malfunction

1. Discontinue use of fume hood. Seal containers and close sash.
2. Label as “Out-of-Service”.
3. Inform your supervisor.
4. Call Facilities Management (416-287-7579)
5. Report your name, phone number, exact location and reason for call.
6. Once fume hood has been repaired, remove “Out-of-Service” sign.
