WHY UTSC?

Located in the most culturally diverse city in Toronto, Canada, the University of Toronto is consistently ranked in every major university ranking as the number one university in Canada. UTSC is one of the three University of Toronto campuses that offers world-class facilities where critical thinking, innovative ideas and groundbreaking discoveries are cultivated.

UTSC provides an academic platform where learning outcomes are demonstrated through the acquisition of real-world skills. As a research-intensive institution, we focus on collaborative approach to tackle global challenges. While we encourage an inter-disciplinary approach to problem-solving, we recognize the value of experiential learning. To complement degree studies with real-world work experiences, UTSC is the only University of Toronto campus that offers Co-op programs that facilitate the school-to-career transition.

With 19% of our first-year students in the 2015/2016 cohort drawn from countries outside Canada, UTSC is committed to provide exceptional education programs and student services to attract the best young minds from all over the world. FAIR UTSC is an innovative pathway admission program that provides incoming international students with eight weeks of an advanced Canadian-style learning environment, leading to their success in UTSC undergraduate programs.

Message from the Dean

I am very pleased to introduce you to the Facilitated Admission International Recruitment University of Toronto Scarborough (FAIR UTSC) Program. We currently offer this unique admission process to international students interested in applying and enrolling in one of our 180 undergraduate programs.

Through this innovative admission program, international students will be provided with an opportunity to prepare for success in university studies. The program’s objectives are to enhance English language skills, cultivate creative thinking, and develop interpersonal skills for students to excel in scholarly activities and prosper in their future careers. During the 8-week academic and acculturation program in the summer, participants will benefit from an effective learning environment designed to exceed the required English proficiency for participation in an undergraduate degree program at UTSC.

I encourage you to contact our Department of International Academic Programs and Initiatives to learn more about the FAIR UTSC Program.

William A. Gough
Vice-Principal Academic and Dean
UTSC
WHAT IS FAIR UTSC?

This 8-week FAIR UTSC requires all students to arrive at UTSC on June 25, 2018 and is composed of three distinctive parts:
