Innovative. Coachable. Globally mobile.

Our students are educated in every area of business, with the option to specialize, while earning a **Bachelor of Business Administration (BBA) degree from Canada's top-ranked university.** Build your talent pipeline when you recruit from our specialty streams:

Accounting, Economics, Finance, Information Technology, International Business, Marketing, Operations Analytics, Organizational Behaviour and Human Resources, Quantitative Finance and Statistics, Strategic Management.

BUSINESS IS BORDERLESS AND SO IS OUR TALENT.

We're equipping the next generation of leaders with the skills and experience to view business through a truly international lens. Founded on the University of Toronto's reputation as one of the world's best universities, we offer our students a powerful combination of management fundamentals, international work experience, and exposure to leadership across cultures and borders. All in a four-year honours degree.

Unlike similar programs, our students must complete an international work term, in addition to a study-abroad term and two work terms in Canada. Our students are available for flexible full-time work term lengths, talk to us about your needs.

GLOBALLY MINDED. CULTURALLY SENSITIVE.

Management and International Business students study key area of business including Accounting, Economics, Finance, Human Resources, Information Technology, Marketing, Operations Analytics, and Strategic Management as well as courses like Global Marketing, International Human Resources, Global Corporate Strategy, Introduction to International Law and Languages.
