TOP THREE REASONS TO RECRUIT WITH US

1. OUR STUDENTS ARE GLOBAL CITIZENS.
U of T consistently ranks as the top university in Canada for producing career-ready graduates. Together with the core competencies of business management and international course options, our program emphasizes interpersonal skills development including effective cross-cultural communication. We offer the premier Management and International Business program with a globally mobile talent pool who learn and speak multiple languages.

2. YOU CAN HIRE ANY TIME.
To cater to globally diverse needs, our students are available for various durations. Ideally, students are eligible to work for 4 or 8 month terms, with the possibility of extension. You can post jobs, interview candidates, and hire whenever you’re ready. We have talent available year round in Canada and globally.

3. WE ARE SERVICE DRIVEN.
Your dedicated relationship manager is here to guide you every step of the way. We offer targeted marketing strategies and ongoing support to connect you with the best talent for your business.

SEE WHAT OUR PARTNERS ARE SAYING
Management Co-op students have been outstanding contributors to our business by developing innovative solutions, demonstrating a willingness to learn, and collaborating with many cross-functional business partners. We’re thrilled that several co-op students have chosen to kick start their full-time careers at Johnson & Johnson.
