Parking Staff Initial

In consideration of approval, the undersigned promises and agrees to observe and obey all vehicle regulations in existence as of date of approval (regulations available at www.utsc.utoronto.ca/parking or as amended occasionally by the Governing Council, University of Toronto. Conditions at the bottom of this form.

Date

Digital Signature of Applicant

1. In applying for a vehicle permit, I hereby agree to assume all responsibility for the vehicles bearing the permit purchased while on UTSC property, to adhere to UTSC Parking Regulations, and to accept all conditions contained therein. I hereby acknowledge having received or read said Regulations. I further certify that I am in possession of a valid license and that vehicles bearing the permit purchased are properly licensed, validated, and operational.

2. Repeated violation of Parking Regulations will result in the suspension or withdrawal of parking privileges. Unauthorized or improperly parked vehicles will be tagged and/or towed at the owner's expense.

3. Hanging permits are to be properly displayed (see Regulations), and must be CLEARLY VISIBLE FROM THE OUTSIDE at all times while on UTSC parking lots.

4. Permits remain the property of the UTSC and are issued only for the use of the applicant.

5. It is the permit holder's responsibility to inform the Parking Office of any change in address information listed above.

6. Parking permits are oversold by a calculated percentage and spaces in individual lots are not guaranteed.

PRIVACY STATEMENT: All information collected by Parking Services will be retained for a period of 7 years, and will not be released to any agency except for purposes of debt collection, database management, investigation, prosecution, registered owner verification, to verify student/residence/employee status, or as may be required or authorized by law.
