2. PHLD89Y3 - ADVANCED TOPICS IN PHILOSOPHY: SOCRATES PROJECT FOR APPLIED ETHICS

This full year seminar has two main components. First, the seminar complements the Socrates Project Teaching Assistantships by providing more in-depth study of the philosophical topics introduced in PHLB09H3 as well as pedagogical instruction. Second, students will carry out an independent research project supervised by a UTSC faculty member and will write a 20-page research paper that will be due at the end of the second semester.

The course will meet Monday 5-8 pm in both the fall and winter semester.

3. QUALIFICATIONS

- Must be a registered UTSC student enrolled in the 3rd or 4th year of an undergraduate philosophy major, or specialist program, during the 2022-23 academic year. Students who have taken a number of philosophy courses close to a major will also be considered.
- Good prior knowledge of the subject-matter of the course.
- Minimum A- average in philosophy courses preferred.

Socrates Project Academic Application procedure:

Applications should include:

- The Socrates Project application form
