

SUBJECT: DPES Health & Safety Committee

Purpose: The purpose of this committee is to develop and promote a safe and healthy work environment and create safe work practices for all students, staff and faculty for the Department of Physical and Environmental Sciences.

Scope:

The health and safety activities of the committee will include, but are not limited to, the following:

- Protect the safety of students, staff, and visitors against accidents and occupational hazards;
- Assist in the development of effective educational health and safety awareness programs.
- Provide support and serve as a resource in the development, implementation, and maintenance of a comprehensive safety plan and SOPs to ensure compliance with health and safety regulations.
- Encourage feedback from all individuals with regards to health and safety related ideas, problems, and solutions.
- Providing suggestions and recommendations for resolution of health and safety concerns.

Department of Physical and Environmental Sciences
