First 6 weeks of course work

The entire course work

It will cover the material on the Grade 11&12- Self assessment Quiz

The lowest mark will be dropped from the final calculation.

Weekly assignments
Hi Rose:

This is a reading/research project course involving individual students with individual supervisors. Thus it is hard to give a course outline beyond the description given in the Calendar entry, which is available to you.

Unlike a lecture based course, it is simply not possible to give a specific course outline. ASTC01 has this in common with other reading/research project courses in the DPES.

Cheers,

- charles
