

Posting Date: November 17, 2021

**Department of Psychology
University of Toronto Scarborough
JOB POSTING – POSTDOCTORAL FELLOW**

Area of Research: Psychosocial Treatments for Schizophrenia-spectrum Disorders

Description of duties: The post-doctoral fellow will be responsible for providing therapy as part of ongoing CIHR-funded clinical trials of cognitive-behavioural therapy for psychosis and cognitive remediation. Post-doctoral fellows will also have the opportunity to analyze and publish data from these trials as well as develop a line of research of their own within the lab.

Salary: \$70,000

Please note that should the minimum rates stipulated in the collective agreement fall below the rates stated in this posting, the minimum rates stated in the collective agreement shall prevail.

Required qualifications: Ph.D in Clinical Psychology or a related discipline
Registered or eligible for registration as a health professional capable of providing the protected act of psychotherapy.

Application instructions

All individuals interested in this position must submit a cover letter, CV and 2 letters of reference to Dr. Michael Best [m.best@utoronto.ca] by the closing date.

Closing date: Feb 1, 2022

Supervisor: Michael Best, Ph.D., C.Psych.

Expected start date: September 1, 2022

Term: Initial term of 1 year with possibility of extension

FTE: 1.0

The normal hours of work are 40 hours per week for a full-time postdoctoral fellow (pro-rated for those holding a partial appointment) recognizing that the needs of the employee's research and training and the needs of the supervisor's research program may require flexibility in the performance of the employee's duties and hours of work.

Employment as a Postdoctoral Fellow at the University of Toronto is covered by the terms of the CUPE 3902 Unit 5 Collective Agreement.

This job is posted in accordance with the CUPE 3902 Unit 5 Collective Agreement.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
