\* Students who rely on financial aid to pay their registration fee are advised to apply for funding early in order to request a tuition fee deferral. Students who are deemed ineligible for a fee deferral are required to make a tuition payment on their own to register, and reserve their spot in the courses they have chosen. Make financial arrangements early!

\*\* Monthly service charge fees at a rate of 1.5% compounded will resume on February 16, 2021. Charges apply to outstanding tuition and non-tuition fees on the Winter 2021 term and any session prior, for students with and without an OSAP or Other Government deferral.

\*\*\* This date was changed on Nov. 20, 2020.
