Hello,

This email is to confirm that you have requested CR/NCR for course(s) in the 2020 Winter Session. You were previously informed that all requests would be processed as soon as possible and within 5 to 10 business days and once processed you would receive a notification by email and/or through eService. As you can imagine, due to these unprecedented times, changes are happening daily to how we manage our processes. Be assured that we have student success as our main goal when considering any changes to our processes.

Your request has been received and will be added on ACORN overnight on April 27th, 2020. Grades that have been submitted from the Department(s) to the Registrar’s Office will be released to all UTSC students beginning on April 28th, 2020. Please note that you are not required to submit any supporting documentation for this request.

For all courses that were declared Credit/No Credit, a grade of 'CR' will appear on your academic record if you receive a final grade of 50% or higher or 'NCR' will appear if your final grade is below 50%, and although the actual percentage grade earned in those courses will not appear on your academic record, it will be used by the departments of Computer and Mathematical Sciences, Management, Psychology and Sociology for purposes of assessing admission to limited enrolment Subject Posts.

We thank you for your patience.

Sincerely,
Office of the Registrar
