

REQUEST TO ENROL IN 3.5 CREDITS

Submission Period: Between the date ACORN allows students to add 3.0 credits per session and the expiration of the waitlist.

U of T Scarborough students may enroll in a maximum of 3.0 credits per semester on ACORN. Students who are interested in taking 3.5 credits must be granted permission from the Registrar's Office. If your request is approved, you will be notified by email so that you can indicate which course you would like to add/waitlist. Students are expected to ensure that they meet the course requirements and enrolment controls of the course they are requesting.

NOTE: Decisions are usually made once grades/GPA/standing from the preceding session have been posted

SESSION (CIRCLE ONE):	FALL	WINTER	SUMMER
REASON FOR REQUEST:			

I have read the instructions concerning this request and have a cGPA of 1.6 or higher

I do not fall under credit load restrictions as noted at: <https://www.utoronto.ca/registrar/request-enrol-35-credits>

I am not a BBA student (if you are, please follow the instructions in the Calendar – do not use this form)

I understand that 3.5 credits in a session is a very heavy course load. If my request is granted, I will be mindful of drop deadlines. I also acknowledge that requests for special accommodations/consideration will not be considered if the basis of the request is my heavy course load.
