9. [ANTC03H3Y](#) (2020 Summer) - Directed Reading in Anthropology

Enrolment Control: A
SUPERVISED STUDY/RESEARCH & INDEPENDENT STUDY COURSES
Step 1: Request the course on ACORN. Your status will be INT. You will not be officially enrolled until you complete the remaining steps (below).
Step 2: Meet with the Supervisor and obtain their signature on a 'Supervised Study form'. Make sure the course code, supervisor name, and title of the project is clearly printed on the form as this information will appear on your transcript. The Supervised Study form is available at: https://www.utsc.utoronto.ca/registrar/supervised-study-form. Your Department listed below may require additional paperwork. Students should contact the office listed for more information.
Step 3: Submit the signed Supervised Study form to HL246 one week prior to the last day to add courses for the session. Staff will ensure your course status on ACORN will be updated from interim **(INT) to approved (APP).**

33. BIOD17H3Y (2020 Summer) - Seminars in Cellular Microbiology

Enrolment Control: AP
Note: Due to the high demand for all Biology D-level courses we will be restricting the enrolment to 0.5 credits for Biological Sciences students enrolled in our Major programs only. Students in the Biology Minor Program will not be considered for priority D-level enrolment. Please see the following website for more information: https://www.utsc.utoronto.ca/biosci/biological-sciences-d-level-enrolment.

Students request the course on ACORN but will not be officially enrolled until approval has been granted. Check your status through ACORN to see whether you have been approved.
(APP = approval; REF = refused; INT = no decision yet)

Period 1: Initially restricted to students in the Conservation and Biodiversity Specialist and Major; Molecular Biology and Biotechnology Specialist (Co-op and Non co-op); Human Biology Specialist and Major, Integrative Biology Specialist, Molecular Biology, Immunology and Disease Major, Biology Major; Plant Biology Major, and Paramedicine Specialist.
Period 2: Shortly after **3:00pm on Thursday, April 9th**, any remaining space may open to all UTSC students.

59. CSCB07H3Y (2020 Summer) - Software Design

Enrolment Control: P
Initially open to CMS students only (SC HBSCC & SC HBSCD). Starting **Thursday, April 30th at 11:00am** if seats are available, will be open to all UTSC students.

ⓘ P = Priority, R = Restricted, A = Approval , E = Enrolment on ACORN is disabled

ⓘ If tutorial sections exist, all students must enroll in a tutorial section. Students enrolled in the lecture will be accommodated in a tutorial. When the term starts, if necessary, additional tutorials may be added to accommodate all students enrolled in the Course. Keep checking ACORN. More information will be provided during the first class.

LEC 99 is Online. For courses with dates and times defined, students will be expected to be available online during those designated days and times. To find out more about online courses Click Here
Please note that this online course may have online Term Tests and/or Final exams.
Contact the Department for further information.

88. **FREA90Y3F** (2020 Summer) - Intensive Introductory French

Enrolment Control: P

This is an intensive, 1.0 credit course offered across a six-week period combining FREA96H3 and FREA97H3. Students will be expected to attend class up to 12 hours per week.

You may only enroll in this course if you have zero knowledge of French and no prior exposure to the language.

Please note that your proficiency will be assessed by the course instructor during the first week of class and monitored throughout the term. If they feel that you were not truthful and honest regarding your proficiency in French, they reserve the right to have you removed from the course at any point in the semester on the grounds of academic dishonesty.

Period 1: Enrollment will be restricted to students in the Management and International Business (MIB) program, Specialist (Coop and non-coop) in Linguistics, Major (Coop and non-coop) in Linguistics, and Specialist (Coop) in International Development Studies (both arts and science streams).

Period 2 : This course may open to students in other UTSC programs shortly after **11:00 am on Thursday, April 9th**, space permitting.

ⓘ P = Priority, R = Restricted, A = Approval , E = Enrolment on ACORN is disabled

89. FREA91Y3S (2020 Summer) - Intensive Intermediate French

Enrolment Control: P

This is an intensive, 1.0 credit course offered across a six-week period combining FREA98H3 and FREA99H3. Students will be expected to attend class up to 12 hours per week.

You may enroll in this course only if you:
1. Have successfully completed FREA90Y3Y, or FREA97H3, or its equivalent or
2. Have taken the French Placement Survey (https://www.utsc.utoronto.ca/cfl/french-language-self-assessment)and it places you in this course based on your results.

Please note that your proficiency will be assessed by the course instructor during the first week of class and monitored throughout the term. If they feel that you were not truthful and honest regarding your proficiency in French, they reserve the right to have you removed from the course at any point in the semester on the grounds of academic dishonesty.

Period 1: Enrollment will be restricted to students in the Management and International Business (MIB) program, Specialist (Coop and non-coop) in Linguistics, Major (Coop and non-coop) in Linguistics, and Specialist (Coop) in International Development Studies (both arts and science streams).

Enrolment in B, C and D level Economics courses is restricted to Co-op Management, Economics and IDS students. Priority is necessary as these students must take specific Management courses in the Summer, in order to participate in the Fall/Winter work study terms. Students may add other courses as soon as their course enrolment start time begins.

Non Co-op Management and Economics students

Shortly after **3:00pm on Thursday, April 2nd** enrolment in Management courses (except MGTA01 and MGTA02) and B, C, and D level Economics courses will open up. Students may add other courses as soon as their course enrolment start time begins.

Visiting students need to obtain permission from the Academic Director to enroll in Management courses.

ℹ P = Priority, R = Restricted, A = Approval , E = Enrolment on ACORN is disabled

ℹ **GRADUATING STUDENTS:** Students graduating during June 2020 who wish to enroll in management courses during Summer 2020 may enroll in courses the usual way, but are cautioned that they may be withdrawn from courses if there are continuing undergraduate students on waitlists. Priority will be given to continuing undergraduate students who are pursuing degree or program requirements. Please see Calendar for overall course load limit for BBA students

203. **MGED90H3Y** (2020 Summer) - Supervised Reading

Enrolment Control: A
SUPERVISED STUDY/RESEARCH & INDEPENDENT STUDY COURSES
Step 1: Request the course on ACORN. Your status will be INT. You will not be officially enrolled until you complete the remaining steps (below).
Step 2: Meet with the Supervisor and obtain their signature on a 'Supervised Study form'. Make sure the course code, supervisor name, and title of the project is clearly printed on the form as this information will appear on your transcript. The Supervised Study form is available at: https://www.utsc.utoronto.ca/registrar/supervised-study-form . Your Department listed below may require additional paperwork. Students should contact the Office listed for more information.
Step 3: Submit the signed Supervised Study form to the Office of the Registrar by the last day to add courses for the session. Staff will update your course status on ACORN from **interim (INT) to approved (APP).**
Economics and Management Office IC250

303. **SOCD40H3Y** (2020 Summer) - Supervised Independent Research

Enrolment Control: A
SUPERVISED STUDY/RESEARCH & INDEPENDENT STUDY COURSES
Step 1: Request the course on ACORN. Your status will be INT. You will not be officially enrolled until you complete the remaining steps (below).
Step 2: Meet with the Supervisor and obtain their signature on a 'Supervised Study form'. Make sure the course code, supervisor name, and title of the project is clearly printed on the form as this information will appear on your transcript. The Supervised Study form is available at: https://www.utsc.utoronto.ca/registrar/supervised-study-form . Your Department listed below may require additional paperwork. Students should contact the Office listed for more information.
Step 3: Submit the signed Supervised Study form to HL246 one week prior to the last day to add courses for the session. Staff will ensure an update to your course status on ACORN from **interim (INT) to approved (APP)** will be completed.
Sociology: HL246
