2.0 CONTRACT TERM

The Room and room type shall be assigned to the Resident by the Director, Housing & Residence Life (the "Director"), or the Director’s designate. The University reserves the right, to be exercised by the Director or their designate acting reasonably, to substitute another room in the Residence for the Room at any time during the Occupancy Period, and the substituted room shall be deemed to be the Room for all purposes hereunder.
The Term of this Agreement begins on Move-In Day, as outlined in Section 1.0, until December 21, 2022 at 12:00 p.m. noon, or 24 hours after the Resident’s last exam in December (whichever comes first); and from January 8, 2023 until April 28, 2023 at 12:00 p.m. noon, or 24 hours after the Resident’s last exam in April (whichever comes first). The Term of this Agreement excludes the Winter Break Closure (as outlined in Section 2.1).

If the Resident has been approved to live in Residence for the Fall semester only, the Agreement ends 24 hours after the Resident's last exam, or 12:00 p.m. noon on the last day for Residents to leave for the Winter Break Closure, as outlined in Section 2.1, whichever comes first. If the Resident has been approved to live in Residence for the Winter semester only, the Agreement begins at 10:00 a.m. on January 8, 2023, and ends 24 hours after the Resident's last exam, or 12:00 p.m. noon on Move-Out Day, as outlined in Section 1.0, whichever comes first. Exceptions for University–operated study abroad students and exchange students are outlined in Section 3.4.

2.1 Winter Break Closure: The University is closed from Wednesday, December 21, 2022 to Sunday, January 8, 2023. The Resident is required to vacate the Room during the closure but may leave their belongings behind. The Resident is expected to secure alternate accommodation during this period. Residents with exceptional circumstances (e.g. International students who cannot return home) may apply to stay in Residence at a cost of $60 per night on December 22, 2022, and December 23, 2022 or a flat rate of $500 for December 22, 2022 to January 8, 2023. Students who do not request housing during the closure will not have access to the Residences during the Winter Break closure. During the closure period the University is closed and services will be limited; food services are closed, there are no IT services, the Reception & Services Desk is closed, and there are minimal staff on-site. Applications for Winter Break accommodation will be available by mid-October, 2022 and the submission deadline is November 18, 2022. Permission to remain in the Residences during this time period is subject to University approval and should not be considered automatic. Students may return to Residence after 10:00 a.m. on Sunday, January 8, 2023. Applications received on or after November 19, 2022 will be charged a flat rate of $600.

2.2 Moving In / Out: Move-in and move-out processes will be communicated to Residents via email. Failure to follow move-in and move-out processes can result in additional financial charges. Students must make travel arrangements accordingly. The move-in and move-out dates are outlined in Section 1.0 and 2.0.

Residents planning to arrive after the indicated move-in date must notify Student Housing & Residence Life by email by Friday, August 12, 2022. Failure to notify Student Housing & Residence Life of a late arrival will result in the cancellation of the Resident’s reservation or the reallocation of a housing assignment. If the Resident does not take possession of and occupy the Room by noon on Friday, September 9, 2022, the Room reservation and this Agreement are automatically forfeited and cancelled, and the University may license the Room to another Resident, without notice to the Resident.

2.3 Limited to Term of Occupancy: This Agreement is solely for the provision of accommodation for the term stipulated in Section 2.0, and the Resident expressly agrees that the term of occupation set out in this Agreement will terminate at the date and time set out in Section 2.0. A Resident may submit a Residence application for a subsequent term or terms, but there is no guarantee of accommodation on the basis of previous occupancy.
2.4 Binding Commitment: Acceptance of the Terms and Conditions of this Agreement constitutes a binding commitment by the Resident for the full term as outlined in Section 2.0 of this Agreement.

3.0 ELIGIBILITY & WAIT LISTS

3.1 Eligibility: Only full-time University of Toronto Scarborough students who are enrolled in a minimum of 3.0 full-time course equivalents (FCEs), with a minimum of 3 courses in each of the Fall and Winter semesters, or comparable course load in a registered faculty, in good academic standing are eligible to reside in the University of Toronto Scarborough Residences. Students with registered disabilities who are taking at least 40% course load are considered full-time for residence eligibility purposes. It is the responsibility of the Resident to immediately notify Student Housing & Residence Life if their academic status changes during their stay in Residence. The University reserves the right to check the academic status of students to confirm their eligibility for Residence as required.

3.2 Returning Resident Applicants: Returning Resident applicants refers to those students who have lived in Residence previously. Returning Residents are expected to be positive role models in the residence community and all eligibility criteria in Section 3.1 must be met. Returning applicants who have an outstanding balance owing or a history of significant and/or repeated violations of The Residence Guide will not be eligible for residency.

3.3 Waitlists: When UTSC Residences are full, a waitlist is created. Applicants will be notified by the Department of Student Housing & Residence Life and will be given the opportunity to secure a position on the waitlist or cancel the application. Offers made to a student on the waitlist will expire within a minimum of 48 hours.

3.4 Conditions for Fall Semester Only Residents: Students are eligible for a one semester contract if the student is enrolled in a University-operated study abroad or exchange program or on a co-op term.

3.5 Service Animals: Students living in Residence buildings should inform Student Housing & Residence Life prior to moving in that they will be accompanied by a service animal. To help with this process, it is also recommended that students complete the service animal registration process through the AccessAbility Services office. Additional information about service animals on campus can be found here: https://people.utoronto.ca/inclusion/accessibility/policies/service-animals-guideline/. If you need to bring a service animal to residence, please complete the Accessibility Needs in Residence Form at https://utsc.utoronto.ca/residences/webform/accessibility-needs-residence.

e. in accordance with Section 10.0

A Resident removed from Residence due to disciplinary reasons risks forfeiture of all Residence Fees. Each case will be dealt with on an individual basis, and the decision of the Director or delegate shall be final and binding on the parties. Under some circumstances, the Resident could be required to vacate the Residence building immediately, if the Resident’s conduct represents a risk to the safety, security or well-being of other residents, as determined in the absolute discretion of the Director, or their designate. Residents who are suspended from the Residence as an interim measure will continue to be held responsible for their Residence Fees, regardless of the outcome of the related investigation or appeal. Residents who are evicted will be banned from entering all Residences owned and operated by UTSC and may not apply for Residence in future years.
5.8 Abandonment of Unit: The Resident acknowledges that a Resident’s Room may be deemed to be abandoned where the Resident has, in the opinion of Student Housing & Residence Life, vacated the Resident’s Room and failed to complete the official withdrawal form to advise Student Housing & Residence Life of withdrawal OR failed to respond to a Notice of Abandonment sent by Student Housing & Residence Life within ten (10) business days of such notice. Abandonment is grounds for termination of the Resident Agreement by Student Housing & Residence Life and subject to the $650 withdrawal fee and the Residence Fees outlined in Section 5.4.

5.9 Items Left Behind: Any items left behind will be deemed to have been abandoned by the Resident. Student Housing & Residence Life will discard any items left behind after the term specified in Section 2.0 of this Agreement, the date of withdrawal by the Resident, or the date of termination of the Resident’s occupancy by Student Housing & Residence Life. Student Housing & Residence Life is not responsible for mailing back items to the Resident and will not compensate the resident for items that have been discarded. The Resident agrees to indemnify Student Housing & Residence Life for any costs, damages, or other expenses arising out of, or in any way connected with, the disposal of items left behind by the Resident.

6.0 ROOM ASSIGNMENT, CONDITION, & ACCESS

6.1 Room Assignment: When making room assignments, Student Housing & Residence Life will evaluate the needs of the community members, including but not limited to, accessibility and special needs, date of arrival, as well as the preferences answered by the student on the application. Preferences are not guaranteed; however, Student Housing & Residence Life strives to meet the needs of all residents.

6.2 Room Re-assignment: Student Housing & Residence Life retains the right to relocate Residents to an alternate room where other solutions or accommodations are not possible in matters relating to public safety, alleged infractions of The Residence Guide and/or The University Student Code of Conduct for Non-Academic Offenses, housemate incompatibility, emergency situations, construction, repairs, maximizing occupancy or unforeseen events. Residents must be prepared to welcome a new person to their suite or be relocated to another suite any time a vacancy exists.

6.3 Room Change: A Resident must receive written permission from Student Housing & Residence Life to change rooms. A $150 fee will be charged to cover cleaning and administrative costs. If the Resident relocates to an upgraded room, the Resident will also be charged the higher Residence Fees. It will not always be possible to accommodate a room change. Student Housing & Residence Life has the authority to grant or deny such a request in its sole discretion.

6.4 Room Condition and Size: Residence Fees are charged based on room type. Adjustments to Residence Fees will not be made based on room size, condition, or the furnishings provided.

6.5 Unit Condition Report: All Residents must complete an item/unit condition report within 48 hours of occupancy. The Resident is also responsible for reporting any required repairs within 48 hours of occupancy using the online Work Order Repair Request Form through the StarRez Portal. In the event that a Resident fails to submit a report the premises shall be deemed to be in a state of immaculate condition. The item/unit condition report is kept on file by Student Housing & Residence Life for the purpose of comparison to the
move-out inspections at the end of the Resident’s term. The Resident will be responsible for any changes or damages to the physical condition of the premises or residence property.

6.6 Room/Unit Items and Alterations: Residents may not remove items found in the premises including furniture, appliances, and equipment. Residents will not under any circumstances tamper with or change the lock or security device on any door. Residents may not bring in beds, mattresses, or upholstered (cloth) items into the Residence. Residents may not paint, tile, drill, screw, nail, or make any physical alterations to any part of the Residence space. Buildings constructed prior to the mid-1980s, Aspen Hall, Birch Hall, Cedar Hall, Dogwood Hall, and Elm Hall have building materials that do or are likely to contain asbestos in the joint compound used to smooth seams between wallboards and fill holes before painting and sealing them. Residents must report all damage that may disturb the asbestos containing compound by submitting a work order, as outlined in Section 6.9. The University of Toronto Scarborough shall not, in any event whatsoever, be liable or responsible in any way for any personal injury or death that may be suffered or sustained by the Resident or guests as a result of any asbestos.

6.7 Common Area Standards: Residents will be jointly and severally (individually) responsible for cleanliness, missing items, vandalism and damages that are not considered normal wear and tear in shared unit spaces and common areas. Costs for repairs, replacement, or cleaning of University of Toronto Scarborough property will be assigned to each Resident as determined by Student Housing & Residence Life. All Residents are expected to participate in maintaining a standard of cleanliness and repair that constitutes a welcoming environment for everyone.

6.8 Room/Unit Cleanliness: Residents must maintain their Unit in a clean and orderly condition in accordance with building, and health and safety standards regulations. If a Unit is found to be in poor condition, the Resident will have 24 hours to remedy the situation. Should the Room fail re-inspection, Student Housing & Residence Life will arrange for cleaning of the Room and/or Unit and the Resident will be charged a minimum of a $100 cleaning fee.

6.9 Pass Along Concerns Promptly: The Resident agrees to notify Student Housing & Residence Life immediately of any damage to the premises during the period of the Agreement using the online Maintenance Form through the StarRez Portal. Failure to do so may result in associated costs for repair and replacement to be charged to the Resident as per Section 4.4 of this Agreement.

6.10 Pest Policy: Residential buildings are occasionally subject to pest outbreaks, including, but not limited to, bedbugs. If a pest outbreak is suspected, Residents are required to immediately contact Student Housing & Residence Life so an inspection can be arranged. If the presence of pests is confirmed, Residents will be required to actively participate in the treatment by following the directives of the University and/or professional Pest Control workers. To reduce the likelihood of spreading pests to unaffected areas, Residents will not be relocated to a new room. No refund or reduction of fees will be issued to those who are inconvenienced by pest inspection or remediation processes.

6.11 Entry: Student Housing & Residence Life staff, as well as employees, contractors, and agents of the University, shall be permitted to enter houses/suites and/or bedrooms upon giving 24 hours’ notice to the Resident, and at regular intervals if such intervals are previously announced to the Residents. Reasons may include, but are not limited to, examining the state of the Unit, including the state of sanitation, safety and repair thereof, and to make such repairs, changes or improvements to the house/suite and/or bedroom and
its furnishings as the University may deem necessary or desirable. Student Housing & Residence Life staff may enter anytime time, and without notice, in the event of an emergency or perceived emergency, or a disturbance or breach or suspected breach of the University of Toronto Scarborough Residence Community Standards (https://www.utsc.utoronto.ca/residences/residence-life), as well as to take such steps as are deemed necessary for the safety of Residents.

6.12 Maintenance, Renovation, and Construction: Student Housing & Residence Life reserves the right to perform renovations or major repairs at any time of the year. Every reasonable effort will be made to consult and/or advise Residents of the renovations and/or construction activities.

6.13 Move-Out Condition: The Resident agrees to leave their Room in a condition that is equal to the condition of the Room when they moved in, with all furniture and appliances returned to its original condition. Inspections will be completed by Student Housing & Residence Life after the resident has moved out. If the Unit is not thoroughly cleaned prior to leaving and/or damages are present, the Resident will be charged applicable fees.

6.14 Sub-Licensing Not Permitted: Rooms may only be occupied by the assigned Resident. Unauthorized occupation or “sub-licensing,” also known as subletting, of a Room will result in the eviction of the occupant and sanctions for the Resident.

7.0 CONDUCT

The Resident acknowledges that the rules, regulations and policies outlined in The Residence Guide, The University Student Code of Conduct for Non-Academic Offenses, and the Policy on Sexual Violence & Sexual Harassment, form part of this Agreement. The Resident agrees to abide by the policies outlined in these documents.

https://www.utsc.utoronto.ca/residences/community-standards

Student Housing & Residence Life have the authority to impose sanctions for violations outlined in The Residence Guide. Student Housing & Residence Life may also refer the matter for investigation and adjudication under The University Student Code of Conduct for Non-Academic Offenses. The Resident acknowledges responsibility for all sanctions levied including individual and community fines. Student Housing & Residence Life may evict should a Resident be found to have violated The Residence Guide. These offences include but are not limited to:

a. violence, assault, harassment and carrying or use of a weapon;
b. the use, possession, growing/manufacturing, and/or trafficking of illegal substances;
c. the growing or trafficking of cannabis on UTSC property;
d. open flames/burning, including but not limited to starting a fire, smoking, storing or using fireworks or burning incense/candles in Residence or unauthorized use of the fire pit;
e. tampering with life/fire safety equipment; and
f. accessing a restricted area.

7.1 **Inappropriate Behaviour:** If a Resident engages in harmful behaviour, or behaviour that is reasonably perceived to be a threat to themselves, or to others, compromises their personal safety (including but not limited to underage / excessive drinking, drug use, abusive behaviour), causes damage to the property of the Residence or others, or where a pattern of behaviour by a Resident is sufficient to create significant disruption to the Residence community, the Residence Life Manager, or designate, reserves the right to terminate the occupancy of the Resident as outlined in Section 5.7.
