

Now what?
A workshop for 3rd and 4th year sociology students

Agenda

1. Introductions
 - A go around with a focus on skills, aspirations, and concerns
2. Now What?
 - A sociological bird's eye view on the transition from undergraduate program to jobs, careers and further education
3. Graduate school
 - An overview of resources available and things to think about
4. Translating your program experience into skills
5. Personal statements: 3 exercises to get you to an amazing statement
 - Unpacking personal statement excerpts
 - Reading a statement, what did you learn about the candidate?
 - Translating a statement into a job application
6. Feedback
 - Reflection exercise
 - Next steps
