Carl B. asks if there are questions regarding the Athletics presentation.

Curtis C: Will the new baseball pitch be for hardball or softball?

Scott M: The new pitch will be for hardball although it can accommodate softball as well.

Carl B. asks if there are questions regarding the Student Affairs presentation.

Curtis C: A 1.4% increase is very modest. In the context of our desire to increase retention by way of enhanced services and increasing efficiency as the goal, how will 1.4% do it?

Ruth L: There will be a hold on increased staffing by AACC, the 5 year plan is recommending 5 people over the next 5 years. The strategic exercise needs to be taken up with CSS and the director team in the spring.

Desmond P: Growth projections starting next year need appropriate planning and getting our services going with good results. We will have to increase staff as enrollment increases; we do not need to do it immediately until we have planned for the use of more resources.
