

TRACES ID: _____

Sample Submission

Account Information

PI/Course	Lecturer/Student/User	Sample ID

FIS Information

CC	CFC	Fund

Authorized Signature: _____

Sample Solubility: Acetonitrile Dichloromethane Methanol Water

Other: _____

TRACES ID: : _____

Molecular Structure	Molecular Mass

Molecular Formula: _____

Analysis Description:

Briefly describe the analysis you would like the TRACES Staff to perform. Please contact the TRACES Manager (7239, tony.adamo@utoronto.ca) before submitting a sample. If possible, please complete the TRACES ID number (if one was given) to expedite the process.
